Meeting was called to order at 4:02 p.m.

Update was given on Manley's surgery from Friday, he has been moved to a regular room.

MOTION ON THE FLOOR FOR A VOTE:

Proposed by Adrienne Evans, President-Elect

I move that through September 30th, undergraduate Pre-Service teachers who join NCSTA (\$20) will receive a free PDI Conference registration (\$20).

Rationale: The early registration PDI conference fee will entice more undergraduate Pre-Service teachers to attend the PDI in November.

Motion Passes Unanimously

Brad Woodard made motion with Carol Maidon seconding the motion.

This was the only item for discussion and vote, all other items will be tabled until August 21st.

Discussion

- This motion had to be voted on in a timely manner due to it having to be advertised to professors who then could share with their students which return during the middle of this month.
- Because of this there is a change in registration fee so this requires a board vote.
- This motion was sent by Adrienne Evans
- Our goal is to get more undergraduate Pre-Service teachers.
- Carrie Jones asked a question about the wording of the motion to include lateral entry, it was mentioned that this would be hard to track.
- This was discussed at the PDI Committee meeting recently, we saw a decrease in Pre-Service teacher numbers last year at PDI, these individuals will later become our members
- It was shared that Carrie could bring a motion to the 8/21 full board meeting mentioning the Lateral Entry teachers.

Questions/Comments?

Motion unanimously passes

Next meeting of Full Board 8/21 and Executive Board will meet on 8/14

Meeting was adjourned at 4:19 p.m..

Respectfully submitted by Brad Woodard, NCSTA Secretary
