

May Your Wish Be Granted

Submit your wish list for the chance to receive up to \$250 worth of classroom materials. Our goal is to grant a wish to one teacher from each of our 8 districts. Teacher must attend the PDI. In order to be selected, attendee must be pre-registered and paid. Wishes will be granted during our Thursday evening ceremonies.

All wishes will be considered. Selection will be based on:

- Feasibility – how likely will grant materials be used
- Sustainability – will materials be used more than once
- Value – how does grant request align to current science standards
- Number of students affected

We encourage you to consider the goods and services of our [participating vendors](#) when making your wish. This vendor list will be updated frequently as new exhibitors register for our PDI.

In order to be selected to receive a grant, [you must apply](#) by October 11, 2019 and your PDI registration MUST BE PAID by October 18, 2019. No exceptions.
